

What do 1000 filled backpacks look like?

“Supplies for Dreams” Staff, Volunteers, and Community Members gathered on Sunday, August 1st to assemble 1000 backpacks and supplies for Chicagoland Youth. Jennifer Torres, CYC-Centro Nuestro’s Master Youth Worker, and Christy Beighe-Byrne, CYC’s Director of Mentor and Volunteer Services, represented CYC at this event.

Supplies for Dreams approved Chicago Youth Centers’ application this year, which means that 264 CYC Youth will start school in September with a backpack filled with the required school supplies. Thank you Supplies for Dreams!
